SUBJECT:

Naval Intelligence Command Briefing

1. I have accepted an invitation from Admiral Rectanus to take a briefing from his Command on 12 January and would like addressees to accompany me.

2. The briefing will start at the Hoffman Building, 14th floor, about 0800, and will conclude with a lunch Rectanus will host at 1230 at [redacted] While this is an infernal hour to start the day, I opted for a half day's briefing rather than the full day which was originally offered.
